

New York State Mandated Pistol Permit Safety Course

The Rochester Rifle Club is pleased to announce that it will be holding the mandated pistol permit safety course that is required by NYS law for all applicants seeking a NY pistol permit. The course will be presented over two Saturdays – October 17 and 24, 2026 from 8:00 AM until about 7:00 PM. Please plan to arrive by about 7:45 AM. The cost of the course is \$275.

Handguns, ammunition, and holsters will be provided for use in the class. Students must be 21 years old and must not have any legal prohibitions about handling firearms or ammunition.

Students should bring hearing and eye protection, although we will have a limited amount for those who do not have those items. Students should also bring a notebook and pen and a garment such as a jacket or button shirt that can be worn to cover a handgun in a holster. Also, please wear a belt that is sufficiently strong to be able to hold a holster and firearm (approximately 2 lbs.). Closed toe shoes should also be worn on October 17.

We encourage students to bring lunch and other refreshments (no alcoholic beverages), as, although we will be taking short breaks during the course, we will not be breaking for lunch period.

Class enrollment will be limited to about 10 participants. Interested persons are encouraged to enroll as soon as possible as the slots will be filled on a first come-first served basis. Registration and payment-in-full must be received by September 17.

Checks should be made out and sent to me and sent at Donald Rimai, P.O. Box 505, Webster, NY 14580. Please feel free to contact me with any questions or concerns at donrimai@gmail.com.

The Rochester Rifle Club is an indoor facility located at 2445 South Winton Road, across the street from Winton Place Plaza. If heading south on Winton Road, about 100 feet north of Brighton-Henrietta Town Line Road, there is a sharp right down a private road. At the end of that road is the Rochester Rifle Club, with adequate parking just outside.
