

Looking to get into hunting or trapping?

SAFETY.

RESPONSIBILITY.

ETHICS.

Anyone who would like to hunt (via firearm or bow) or trap is required to take the corresponding class to receive their safety certificate. This certifies that you have been trained in proper equipment handling and safety, as well as the importance of conservation and ethics. The good news is there is a Hunter course occurring near you!

Join this Hunter Education class!

Where? Rochester Rifle Club, 2455 South Winton Road, Rochester, NY 14623

When? September 26, 2026 8:30am to 5:00pm

Register at <https://decals.events.east.licensing.app/em/events/480>
