NEWS & UPDATES:

Perinton land has been sold!

The RRC purchased the land over a decade ago with the hopes of adding an outdoor range. Within a few years it was obvious that the politics had changed and would no longer allow our plans. So, a few years ago we put the land up for sale and recently completed the transaction.

The tan skinny lockers in the clubhouse are going away!

These lockers used mostly by RRC Directors and some programs are expected to be removed within the next 6 months.

Sporterifle Youth Wanted

Rochester Rifle Club & the Rochester Youth Marksmanship Program invite juniors between the **ages of 12 and 19** to participate in our junior Sporterifle program. Sporterifle is a great way to introduce a youngster to safe firearms use.

What is Sporterifle? NYS Sporterifle is a 0.22 rimfire rifle competition with hundreds of competitors across New York State. It is a postal league competition with all participants firing their targets at their local sportsman's club. There are about 40 locations across NYS and northern PA. Junior competitors are placed in a junior-only league and compete with other juniors for awards.

The position used in Sporterifle is **"off-hand standing"** with a light rimfire rifle weighing 7.5 lbs or less. Targets are at 50 feet. Slings, palm rests, and other forms of extra support are *not* used.

Sporterifle has both team and individual awards. Junior scores contribute to the adult team scores but individual awards are based on competitions only with other juniors in the junior league. There are 6 classes based on competitor averages. Top of class awards are available for each class along with several other individual category awards.

To participate in Sporterifle at the Rochester Rifle Club, youth need only join the Rochester Youth Marksmanship Program (at the RRC) which is an annual fee of only \$10. **All needed equipment and ammunition** is supplied by RRC & RYMP; there are no other additional fees for junior competitors. Interested juniors may join the program at any time during our active season from **middle of September to the end of February**. Simply visit the club with a parent or adult during one of our Junior Sporterifle matches on **Sunday afternoons, 2-4pm** and our rifle instructors will instruct on firearm safety and teach the shooting position at the first visit. Often Sporterifle juniors are firing their first match the following week. **Adults and older siblings are welcome to also participate** with juniors if space and equipment permit. **Our junior season starts Sunday, 9/13/2026.**
