More coming events...

Once-A-Month Lead Removal Work Crew

7:00am - 8:30am

We could use a couple strong guys to take a turn with the spring / summer volunteers. We provide gear ("suit", respirator and gloves). Normally done in about an hour. Please note that the RRC range is also closed following the lead removal for the weekly cleaning staff (until about 10:30am).

Watch the [April -May](#) calendar for the next open dates. If available please contact Tom Penfound at 334-4624 to RSVP.

Saturday, March 21st or Monday, April 27th

New Member Class

Do you know someone who would like to join our club? Have them go online to rochesterrifleclub.org to download an application and mail it in. Completed applications will be acknowledged with an invitation to one of the next New Member Orientation classes.

Expansion Update

Several members have been asking what is going on since the RRC purchased some land in Perinton. The land is along Route 31 about 1/2 mile west of the county border. Not much to see at the present. The RRC Directors have been discussing possible building configurations and our needs. More specific details should be available later this spring after the scope of the project is refined and we have met with engineers and an architect.

Director Openings

As some of you may be aware, the RRC has a closed directorate. However, we are currently looking for director candidates.

What does a director do?

First of all, a director assists the Board of Directors by duties assigned in the constitution and bylaws. Second, attendance at monthly meetings is expected. Third, as all directors and officers are volunteers, we assist the officers in membership processing / new member classes, some range / building maintenance, oversight of program activities and other duties where help is needed.

Skills especially useful are: NRA Range Officer / NRA Certified Instructor / Legal (could include but not limited to 2nd Amendment rights) / Bookkeeping / Engineering / Electrical / Plumbing. Directors also work alongside member volunteers at periodic work parties (ie spring, summer, fall) and sometimes assist with administrative paperwork and raffles.

Questions about the above? Contact one of our officers or directors

Interested applicants for a Director opening should contact the RRC with your contact information, skills, and affiliations with shooting sports organizations.

Send info to:
Ed Cerra, President,
Rochester Rifle Club,
PO Box 20617, Roch.,
NY 14602.

Junior Sporterifle Youth Needed

RRC Sporterifle is currently searching for male and female youth ages 12-19 and adults of any age to build our teams up for next season. Junior shooters are age 12-19. Mom and/ or dad may shoot with their youth on Sundays 2-4pm September thru March. It is a great low cost family activity that requires very little time. There is no cost to junior shooters and we supply .22 rifles, ammo, targets and instruction for the youth.

The current season is winding down in mid-March so stop down soon to check it out. If this is your first-time at the RRC there is some training for the youth and paperwork for a parent.

Questions ? Contact Jerry Sprague at 585-742-1213
president@sporterifle.org or Dave Vogel 585-657-5413
editor@sporterifle.org

Repeal the NY S.A.F.E. Act

See Online Petition

New York State Senator Rich Funke * 55th Senate District signed the S.C.O.P.E. PLEDGE. Please sign the online petition at www.scopeny.org by Feb. 27. (SCOPE Officers are visiting legislators on Lobby Day in early March.)

NY State Senator Rich Funke * 55th Senate District

RRC Pres. Ed Cerra holds 2014 check the RRC gave toward fighting the SAFE Act.

What will be next in the legislative battle for our 2nd Amendment rights?

News From Around Town

NY Pistol Permit Re-Certification Process

The pilot programs have begun in Albany, Schenectady and Fulton Counties. Permit holders will be directed to a NY State Police web-site to download the re-certification form.

See www.scopeny.org web-site for more details on the whole process.

Citing NY's SAFE Act, Henrietta Guns and Ammo Store Closes

Jackson Guns and Ammo in Henrietta has closed up shop, and owner Kordell Jackson said that New York's SAFE Act is to blame. "We catered to the assault rifles and once that was out, it kind of hurt us," Jackson said. Jackson operated out of two locations, Henrietta and Scottsville , for more than 10 years. His stores are now empty. With certain assault weapons now banned in New York State, and a limit on magazine capacity, Jackson says sales dropped from \$250,000 to \$15,000 a month. "We were struggling with all the rules and regulations, the New York SAFE Act as well as the New York State payroll taxes, the state taxes, all these taxes," Jackson said. "You can't stay in business with all this going on." Jackson closed up shop Jan. 17. He says the decision was difficult. After spending five to six months looking for ways to keep his business viable, Jackson said closing made the most sense.

NYS Rifle & Pistol Association Calls for Mayor Bloomberg to Apologize for Racist Remarks

Leading gun control advocate calls for government to remove firearms from blacks

Albany, NY 2/09/15. The New York State Rifle and Pistol Association calls for former New York City Mayor Michael Bloomberg to apologize for racist remarks he made while speaking at the Aspen Institute last week. As reported by the Aspen Times, Bloomberg stated that government needs to remove firearms from young minority males.

"Mayor Bloomberg's statement that black males should not be allowed to have guns echoes similar sentiments made by southern white supremacists in the 19th century," said NYSRPA President Tom King. "So called "Black Codes" were enacted by various southern states to discriminate against black Americans and maintain the system of white supremacy that made slavery possible. These included restrictions on firearms possession."
